The College of Justice and Safety at Eastern Kentucky University is one of the largest of its type in the United States and is one of the five colleges that comprise the academic structure of the University. Within the College are the Departments of Correctional and Juvenile Justice Studies, Loss Prevention and Safety, and Criminal Justice and Police Studies. The College of Justice and Safety exists in response to a changing, dynamic society which demands qualified professional, well educated personnel. The College endeavors to meet this demand within the threefold purpose of the University—teaching, research, and service.

Certificate, associate, baccalaureate, and master's degree programs are offered by the College of Justice and Safety.

The College is committed to a career ladder concept by providing opportunities for students enrolled in or completing associate (two-year) degree programs to transfer to a corresponding baccalaureate (four-year) program within the same department with little or no loss of credit.

All departments in the College are housed in the Stratton Building, an outstanding and unique facility which is part of the Robert R. Martin Law Enforcement, Fire Science, and Traffic Safety Center. The building includes a 354-seat auditorium, two physical conditioning areas, a cafeteria, the Justice and Safety Library with over 23,457 holdings, and a training tank for underwater rescue and recovery training. The Center also features a seven-acre driving range and a 5.7 acre lake for aquatic safety, underwater rescue, and salvage training.

## ADMISSION TO THE COLLEGE

Students seeking admission to the College of Justice and Safety must meet general University requirements and should indicate their intention to major in a program of the College.

After being admitted to the College, a student will be assigned a faculty advisor who will assist in selecting the proper courses leading to the desired degree.

## DEGREE REQUIREMENTS

General University requirements begin in Part Three of this *Catalog*, as well as specific course requirements set forth in the description of curricula, and must be met by students completing associate and baccalaureate programs administered by the College of Justice and Safety. See the program descriptions under each department for specific

major and minor requirements. Common to all programs is the Academic Orientation (JSO 100) course of the College of Justice and Safety.

#### Admission Procedure: Emergency Medical Care

Students who have been admitted to the University and College of Justice and Safety and declare a major in Emergency Medical Care are admitted to the Pre-emergency Medical Care Program. Admission to the Pre-emergency Medical Care Program does not guarantee admission to the Advanced Emergency Medical Care (paramedic) sequence.

#### Admission Requirements: Emergency Medical Care (Associate of Science, A.S.)

Pre-emergency Medical Care students are accepted each semester. Students are selected for admission into the Advanced Emergency Medical Care Program once a year in the following fall semester. Selection is in priority order on the basis of highest cumulative grade point average, entrance test score, and the criteria listed below. Due to limited enrollment, students are advised to apply as early as possible.

#### Advanced Emergency Medical Care (PARAMEDIC) Additional Requirements

1. Students must have a minimum grade of "C" in all Emergency Medical Care courses, BIO 171, and BIO 301.
2. Students must have a minimum cumulative grade point average of 2.0 on a 4.0 scale.

#### Student Liability Insurance

Students must purchase and maintain the college student liability insurance prior to enrollment in EMC 110, 115, 270, 275, 280, 342, 352, 360 and 362.

#### Admission Requirements: Emergency Medical Care (Degree -- Completion)

Degree--Completion (D-C) students are accepted each semester. Applicants for admission must be currently certified as a Paramedic in Kentucky. Paramedic certification must be maintained throughout this D-C program. Students will receive 18 hours of EMC program credit hours upon completion of EMC 380 and EMC 382. Credit may be earned through credit by examination (see Credit by Examination in this manual) for the following courses: AHN 200, EMC 110, EMC 225 and EMC 240 (for a total of 15 hours).

#### Advanced Emergency Medical Care -- Degree Completion (PARAMEDIC) Additional Requirements

1. Students must have a minimum grade of "C" in all Emergency Medical Care courses, BIO 171, and BIO 301.
2. Students must have a minimum cumulative grade point average of 2.0 on a 4.0 scale.

## EXTENDED PROGRAMS

The College conducts extended campus classes throughout the central Kentucky area, including Fort Knox, Louisville, and Bowling Green. Such offerings make programs available to various agencies and military personnel.
